<codeBecky

Claire says: What to do?

Jason says: I think you should align your text left.

Jason says: DOPS, i mean that you should probably float left!

```
<html>
<style>
  body{
    font-family:Verdana,Helvetica,sans-serif;
  }
  h1{
    text-align:left;
  }
</style>
<body>
  <h1>Sample Text</h1>
</body>
</html>
```
